Devron,
what's up buddy?
You were a great friend
all year. Canoga is going
to miss you in basketball and
volleyball, and who's going to push
me in basketball practices now? Who's going to
tell me where to sit? Its going to be hard
getting along without you next year. I'll still
be able to school on you in the alumni
games though. Where going to have to see
more great movies like Roxanne at Westwood
together. I also had a great time watching
freaks with you like La Shai and Ms. Gregorian.
You better get yourmaass in gear and jam
at Devry. I know you will if you want to.
I know your going to keep in touch with
your little white brother.
your buddy forever,
Dennis

SCHOOL DAY MEMORIES

As we reach out our hand
The diploma we grasp,
While we think of the
memories
Of the years in the past.
Tears fill our eyes
Because it's all gone,
We're starting a new life,
We have to move on.
We hope friends will keep
in touch
As the years pass us by,
Although it hurts inside
We'll try not to cry.
We think of kindergarten
And our first day,
Now we've reached the
end
We are going away.
How do you say good-by
To friends who mean so
much?
Will there be time
To sincerely keep in
touch?
You'll always have the
memories
Of your school years from
day one,
Don't think of school as
ending-
Think a new life has
begun.

"WE'VE GOT THE SPIRIT!"

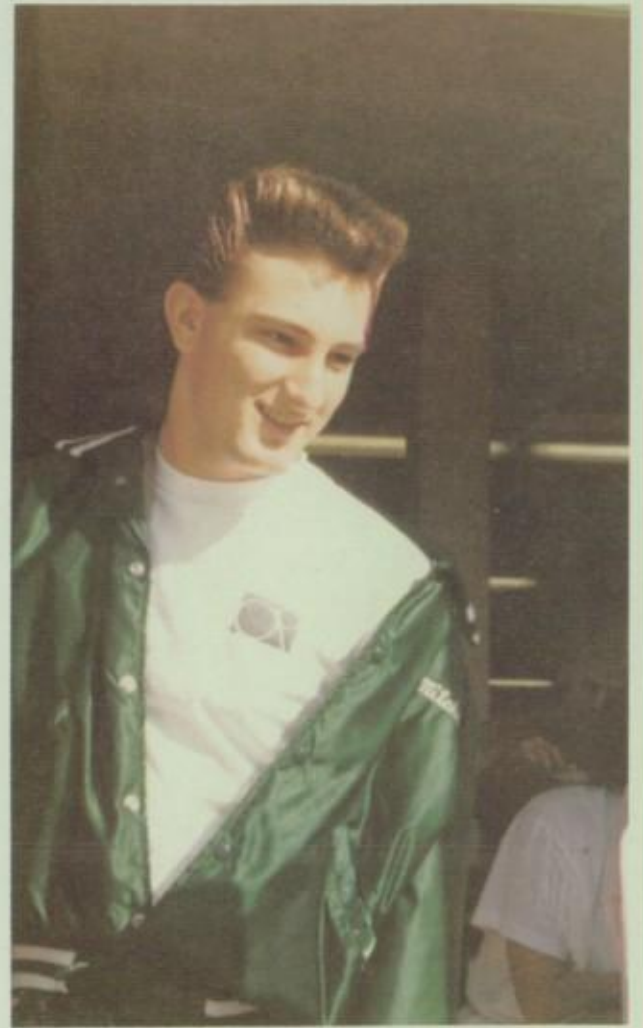

From football games and sideline cheers to Spirit Week and dress up days, Hunters really let their spirit show through. The familiar green and white could be seen everywhere, on campus and off. Pride and loyalty were in the voices of the people who stood behind those colors. Canoga people!

There was always a lively crowd at every sports event to help the Spirit Squad support our Hunter teams. Hunter spirit rode high at Sucker sales, Gram sales, Pep Rallies and evening dances. We had the spirit. You know we did! Our pride shone brightly at every event, activity, or on any old school day, and the days when it wasn't so obvious the loyalty was there in our hearts.

"What exactly is spirit?" Webster defines it as enthusiastic loyalty. We defined it as friendship laughter and cheer. You may have your own definition, but if you didn't know you just had to be around people like Mrs. Carolyn Purkey, people of Leadership class, Cabinet, Steering Committee, Cheer, Drill, Band, or any of the other groups at Canoga credited for creating that good old Hunter spirit.

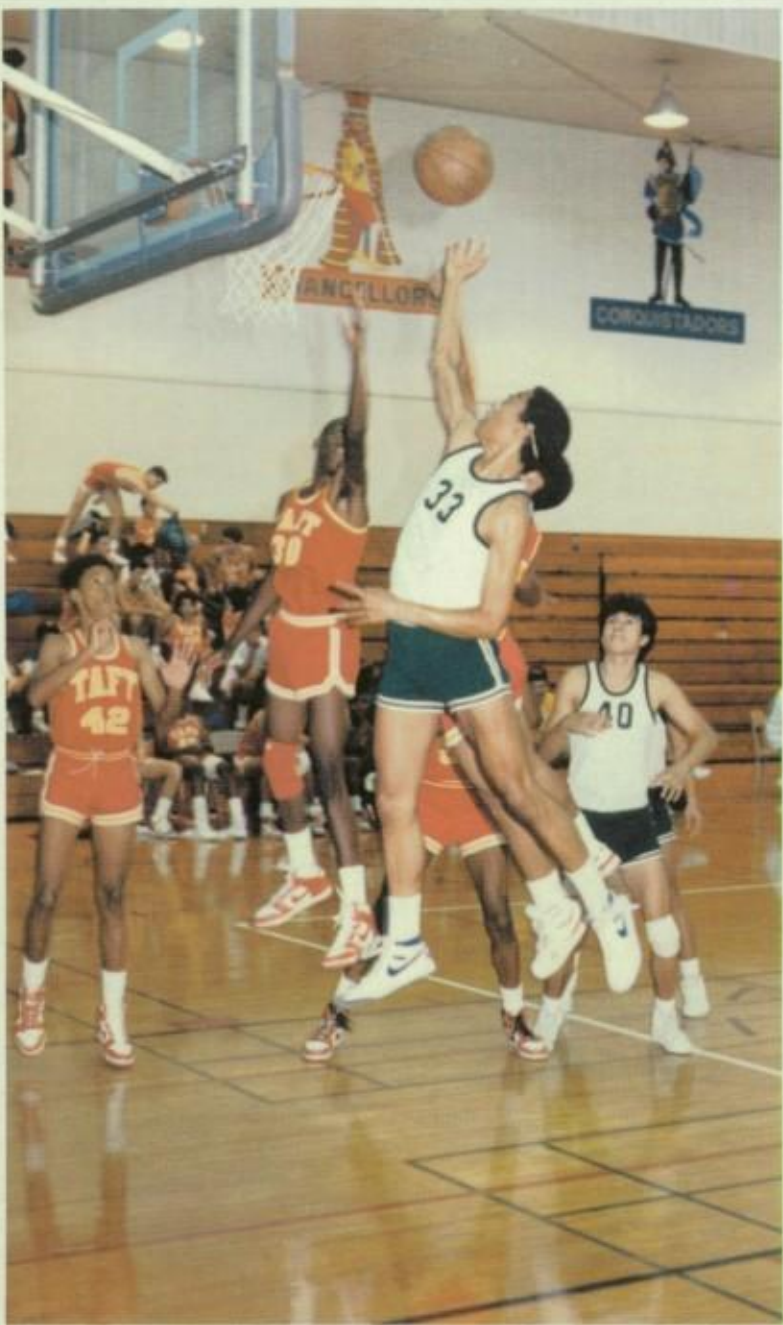

**Congratulations
Class Of 87
The Spirit Lives On!!!**

HOMECOMING 1986

THE HAUNTED

HUNTERS

Homecoming was on October 31, 1986. It was also Halloween. The evening's festivities began with the band and the drill team accompanying the parade of ghost and goblin inspired floats and the Homecoming Court. The winning floats were made by the Senior Steering Committee and the Sophomore Steering Committee.

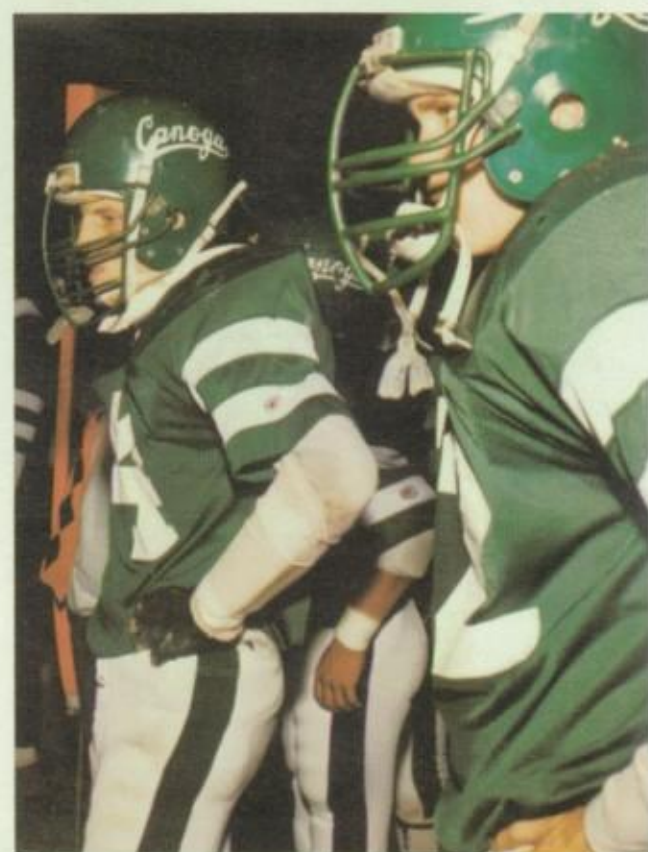

After the parade the Homecoming Court was introduced. Everything was silent until Craig Galowitsch and Kris Canfield were announced King and Queen. Sacred Love was named first runner up, and Michelle Romas second runner up. The court included Scott Blugrind and Donna Mackey, Junior prince and princess; Sean Reyes and Nikki Henri, Sophomore prince and princess; and ninth grade princess Tracy Curd.

To top the night off the Varsity Hunter Football team was victorious over Chatsworth 17-14. It was a very close game, but this was a night CP couldn't be beat. The night was the most spirited we've ever seen and everyone there enjoyed the festivities.

Honored guests, Ed and Johnnie Ketally, and Helen and Harold Muhlhauser.

The 1986 Canoga Park Varsity football team displayed true Canoga team spirit and intense play as they brought Canoga its second Sunset League title in the seven year history of the Sunset League.

The Hunters led by all-league senior quarterback Jeff Myers and the Sunset League Offensive Player of the Year junior running back Mike Conover, boasted a 4-1 league record and 6-4 overall record.

"Homecoming 86", the most memorable game of the season for the Hunters, was outstanding. Canoga defeated Chatsworth 16-14.

Canoga's defense, led by all-league senior defensive ends Lamonte Simmons and Gerry Schumacher, senior defensive tackle Jeff Zentner, senior outside linebacker Aaron Marks, and junior inside linebacker Brian Hoffman; must be credited with much of the team's success this year. The goal line stands were the key to the varsity's win of the Sunset League championship.

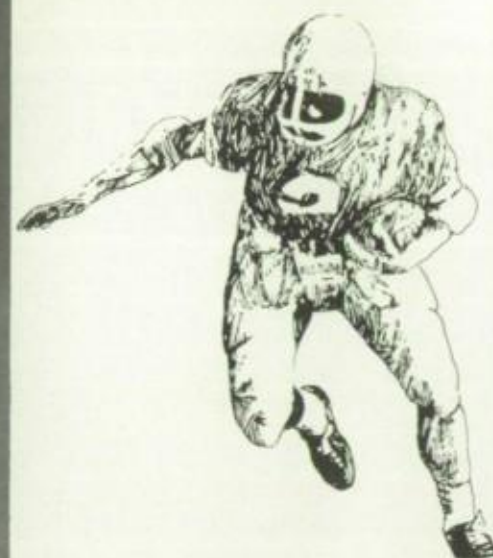

At the close of the season Coach Lugo stated, "This team is my second family" and after a Canoga victory the Daily News quoted one player as saying, "this team's strength is based on love" ... and it was!

KILLER BEES GO UNDEFEATED

Bees Bring Home '86 Sunset League Title

Canoga's 1986 League Championship Bee football team finished up their season with a 5-0 league record.

The Bees finished 8-1 overall, 5-0 in the league, winning the Sunset League title by one game over Van Nuys, which had a 4-1 record. The Hunters scored 179 points on the season while holding opponents to only 65.

The team gathered 2,208 total yards, 1,147 rushing, and 1,061 passing. Quarterback Del Marine threw 12 touchdown passes and amassed more than 900 yards through the air. John Park led the club's runners with 622 yards.

Individual scoring was led by Damon Lemieux with 48 points, followed by Park with 36 and Doug Lerma with 33. Jemal Cooper led in receptions with 17, Lemieux with 16, Greg Knapp with 9 and Frankie James with 8.

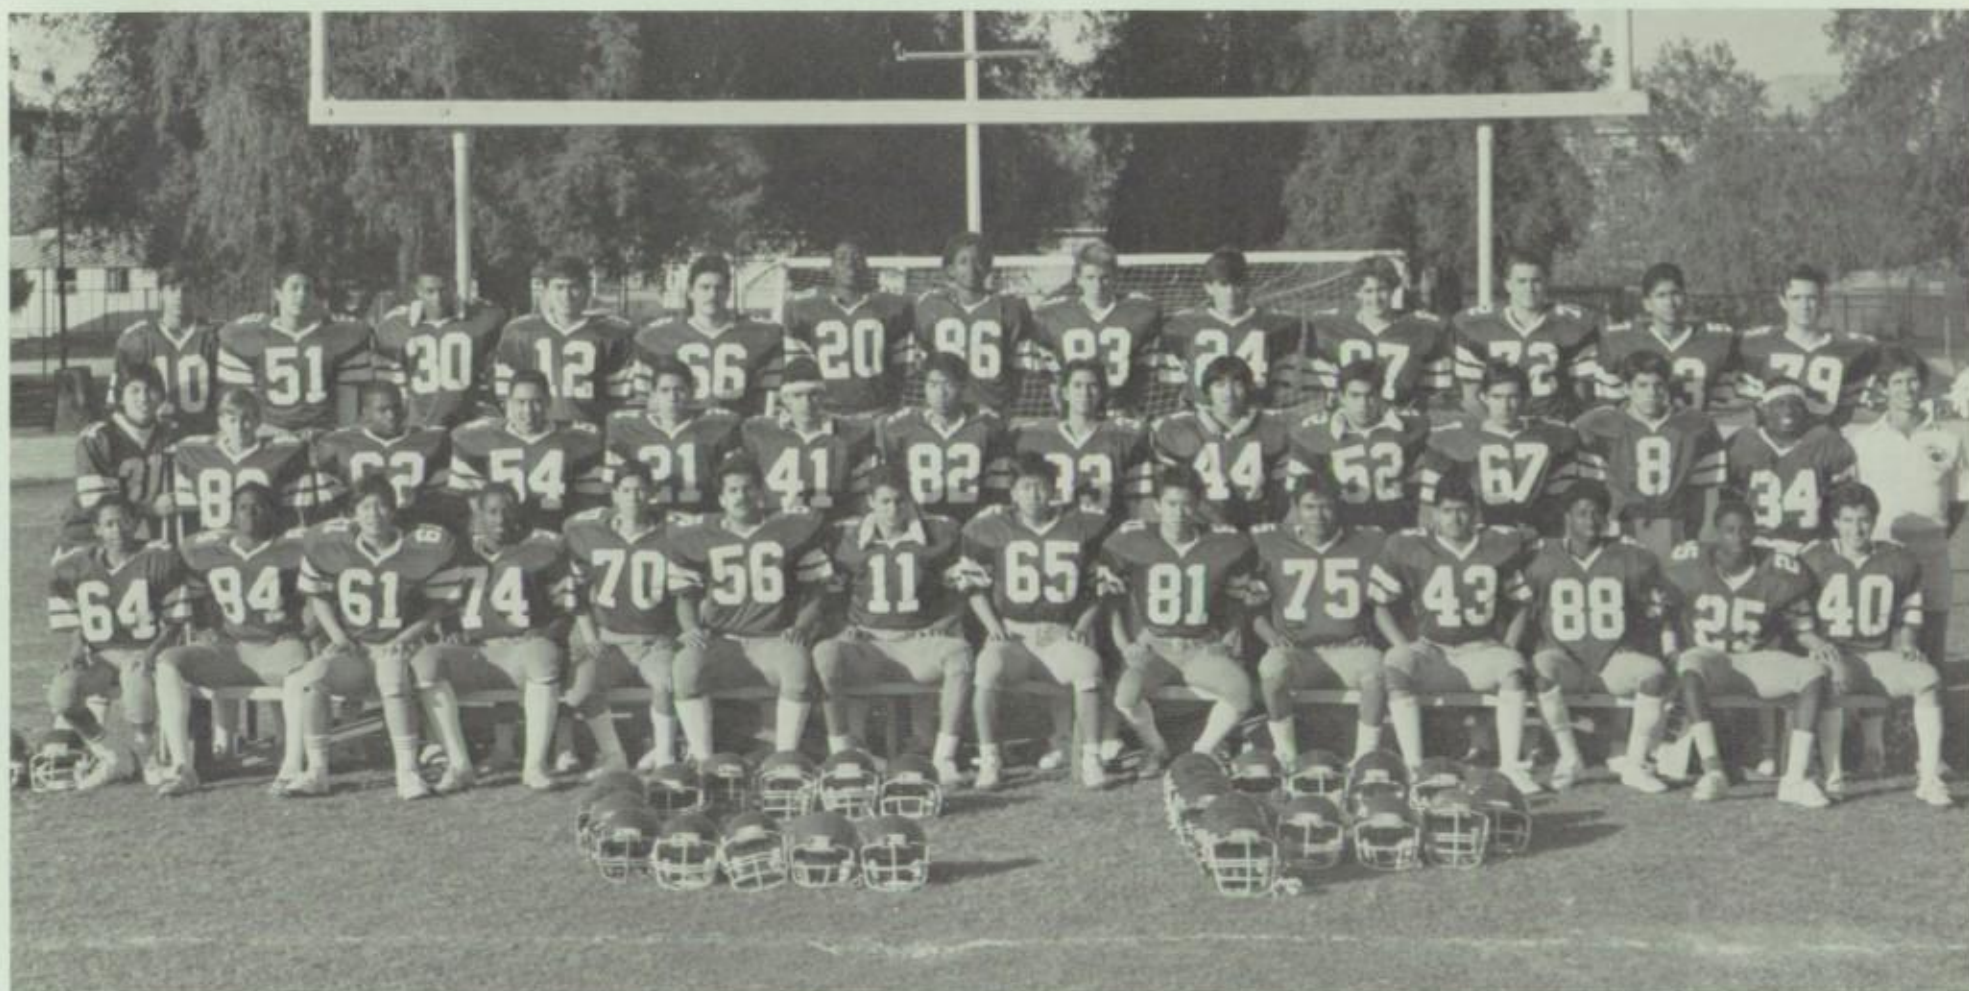

The Hunter defense was great this year, with four shutouts. Jimmy Park led in tackles with 85, followed by Tom Rosa with 65 and Sean Arriaga with 50.

Frankie James led the Hunters with 4 interceptions on the season.

Canoga's All-League players included John Park, Jimmy Park, Del Marine, Damon Lemieux, Sean Arriaga, Doug Lerma, Rafael Zavala, Jamil Niazi, Jemal Cooper, Greg Knapp, Tom Rosa, Mike Moses, and Frankie James.

Jason Melzian impatiently waits for his chance to get in.

BOYS VARSITY BASKETBALL

The season outlook for the Varsity basketball team was extremely promising after a rather disappointing record last year. While there were many returning players from last year's squad there were also a few athletes who transferred from other schools which added depth to an already improved squad.

Once again coach Joey Nakasone led the players successfully through league action. Players such as Oral Eltrington, Andre Ball, Darwin Garnett, and Craig Galowitsch, made the Hunters top contenders in the playoff run.

JV BOYS BASKETBALL HIGHLIGHTS

Jahmal lays it in for the Hunters.

Desmond shoots for two.

Shawn dazzles us with his accuracy.

Mike has excellent ball control.

Without a full time coach and with many inexperienced players, the team had to depend on its determination, desire, and competitive spirit to unify it.

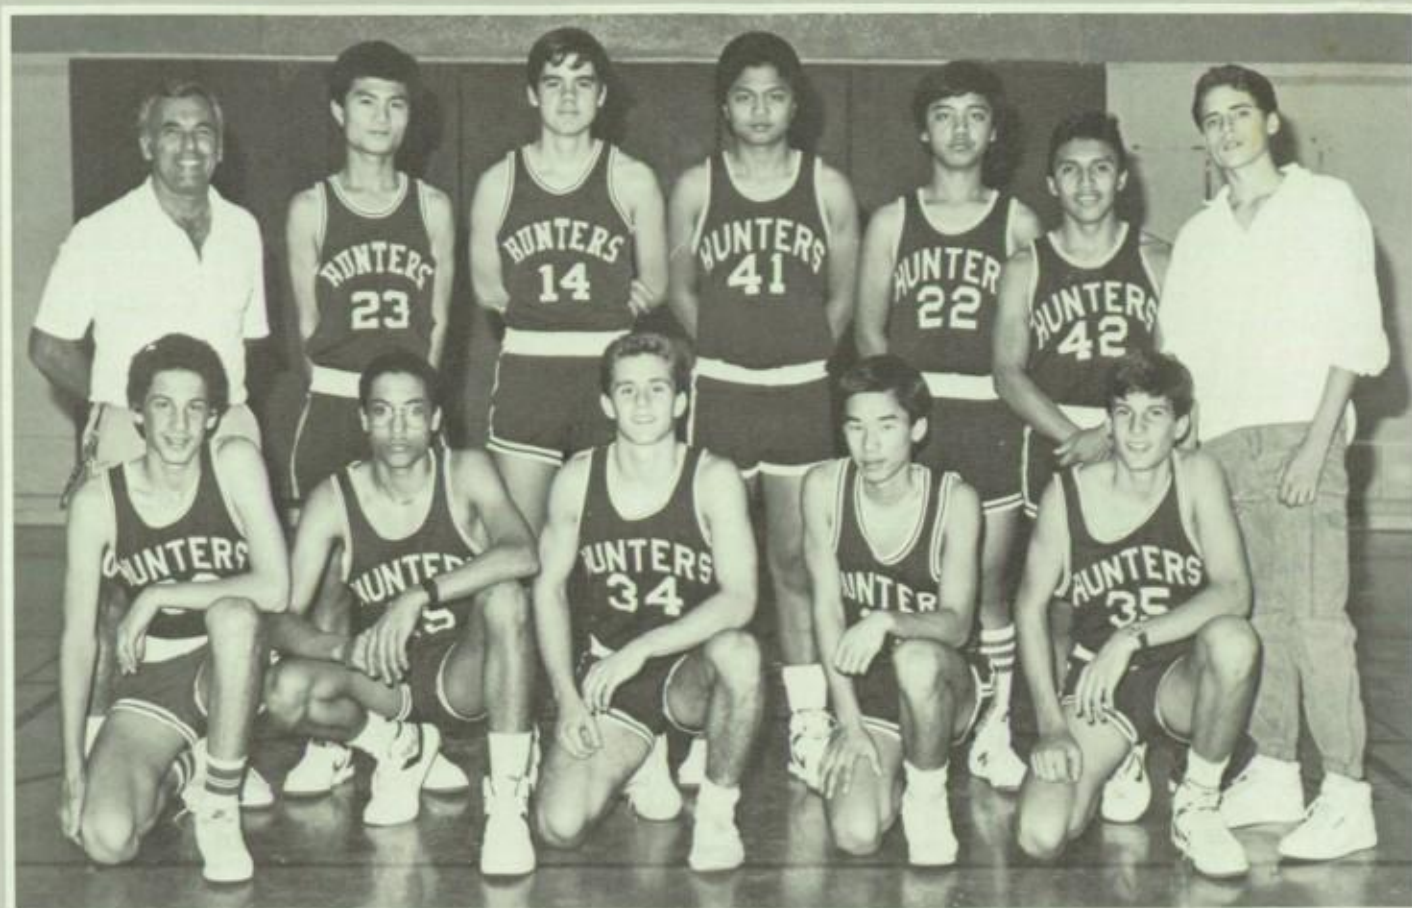

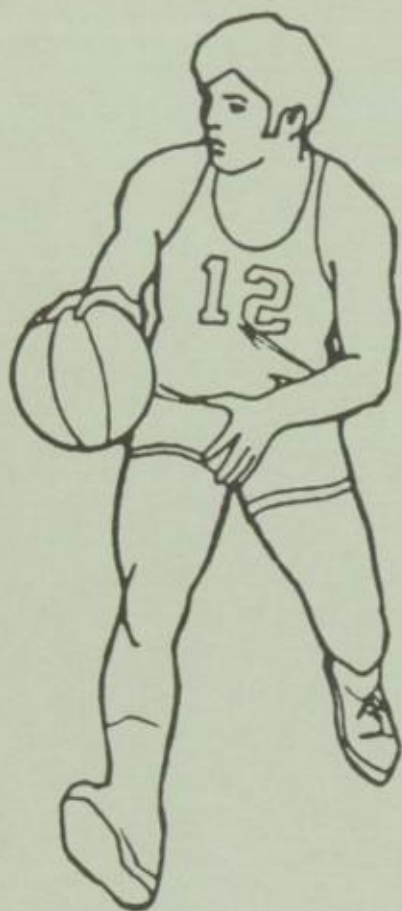

Improved starters from last year's team were Mike Moses and Damon Lemieux at the guard positions and Sean Reyes and Mario Rodriguez at the forward positions.

The JV's had a strong shot at the league championship with the addition of strong play from freshmen Cleveland Jackson, Jahmal Durham and the "DAZZLING" sophomore Shawn Miller. Other first year players who improved throughout the season and contributed immensely were sophomores Scott Johnson, Kaleen Sheikh, Dewayne Colbert and freshmen Bobby Hines, Desmond Brown, and Dalton Payne.

Bee Basketball

With an over-all record of 6 & 8 the Bee Basketball Team captured 4th place in league. Each game was filled with excitement. Leading team members were guards Chris Beltran and Robert Bird. Dominating the boards were David Gross, David Swartz and Eddie Bowling. This year's play leader was Dat Phan who also led the team with the top free throw percentage. The team showed great class and determination during many thrilling games.

Cee Basketball

The Cee Basketball Team had a successful season, with a record of 6 & 8. The Hunters placed 4th in league. Three of the Cee's losing games were lost by only 3 points. Despite their disappointments they were a fighting and challenging team through league schedule. They proved that they had desire and ability to win. The team was led by Eric "Mighty Might" Welcome, the teams stabilizing force. Other standouts this year were Ricardo Banuelos and Kenard Durr both were outstanding on boards and scoring.

This year's 1987 Hunters wrestling team exploded with surprising stand outs. All wrestlers proved that they had the talent and ability of professional wrestling.

This year's mat-men were very courageous and extremely tough. State qualifiers were Morris Biggers at 126 lbs, also two time state competitor. Tak Odama at 175 lbs., and heavy weight Lamonte Simmons. City medalists were Rick Olivas at 105 lbs., Fernando Benitez at 145 lbs., Farnosh Tinoosh at 154 lbs., and Chuck Mitchell at 191 lbs.

We congratulate our 3 State competitors especially Lamonte Simmons first wrestler in Canoga history to win a state match, in their professional efforts, which they displayed throughout the season.

VARSITY SOCCER

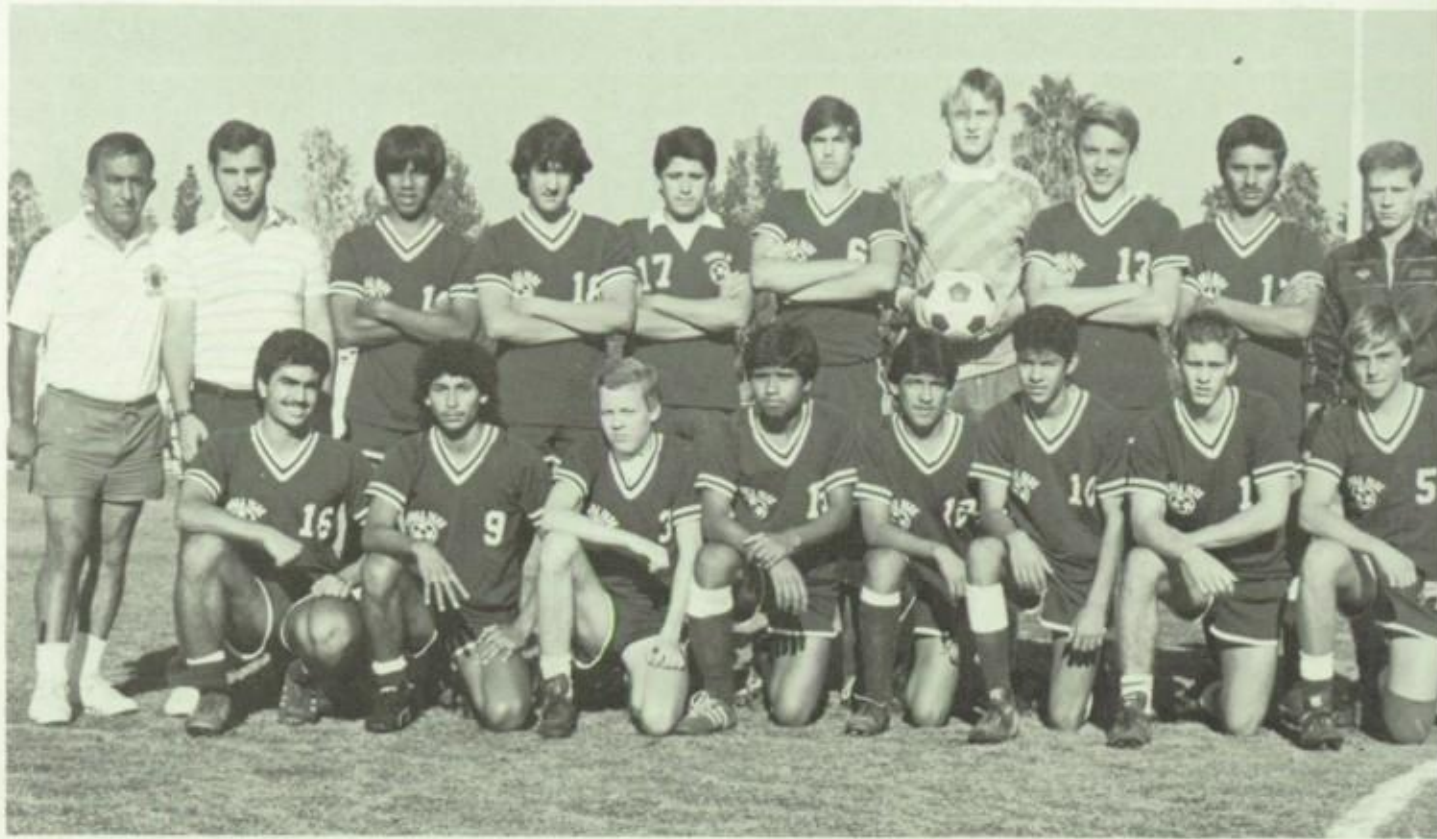

League Hopefuls

Varsity soccer ended a good year with a record of 4 wins, 3 ties, and 3 losses.

The team played well the last part of the season, winning 4, losing 1, and tying 3.

Outstanding players were Craig Galowitsch, Rob Bird, and Anthony Feuer.

With ten returning lettermen, Coach Chapman is optimistic about being League Champions next year.

League Champions

J.V. Soccer finished the season with an incredible record of 6 wins, 1 loss, and 3 ties. This record made them the J.V. soccer champs of the West Valley League.

Outstanding players were Rigo Abarca and Richard Gatinel. Both players will undoubtedly strengthen the Varsity team in the 1987 season.

HUNTERS

ON THE RUN

This year's long distance runners exemplified the essence of true Canoga Cross Country. The hardships the team faced throughout the season only made the victories so much sweeter.

Some of the season's highlights were top performances by Varsity team captain, Peter Van horenbeeck, 12th grade; David Maunu, 11th grade; Wilfredo Chavez, 10th grade; and Canoga's most promising freshman, Colin Pratt. Other Varsity runners were Joe Rudolph, Chris Byrne, and Mike Mekanvand. The girls' category welcomed back senior Evelyn Cortez and sophomore Diane Oesterle for another year of success. The ninth and tenth grade team included sophomores Jeremy Kahn and Wilfredo Chavez, and freshmen Guy Brousseau, Colin Pratt and Dat Phan.

At league finals, on November 24th, Colin Pratt, Wilfredo Chavez and Guy Brousseau placed second, third and ninth respectively, proudly continuing on to display the Canoga colors at the City competitions. The small but mighty team overflowed with Hunter spirit and the commitment that helped finish the 1986 season with heads high and the best foot forward.

SET, SPIKE, BUMP...

The 1986 Varsity Volleyball Team showed immense dedication and enthusiasm. Team captain Lydia Herrera and returning players Junko Takahashi, Paula Goldstein, Lynn Yasui, Carmen Ellington, Angela Ferruzo and new-comer Teresa Werneke exhibited pride and high hopes throughout the season. Paula Goldstein and Lydia Herrera were named to the All-League Second Team.

The outstanding J.V. team with a 6-2 record, placed second in their division. This well deserved record took the team to the City Quarter Finals. Returning players Elvia Castillo and Vicki Leelasuksuntikul were instrumental in guiding the team to a winning season.

THE LADY HUNTERS

After a disappointing preseason (2-5), the Lady Hunters were looking forward to a promising season. The Lady Hunters opened league play with a tough game against North Hollywood, losing 38-34. Returning senior Julie Burmester led the team with 16 points, while Roz Linton had 12 rebounds.

During Winter Recess the Lady Hunters competed in Simi Valley Tournament. Losing to Ventura 45-23 in the first round was only a mild set back. Canoga came back strong defeating Simi High 43-35. Tannisha Green, who was brought up to Varsity prior to the Simi Tournament, scored 12 points. Stephanie DeLange also had a good game adding 14. Canoga swept past Crescenta Valley 53-24. Facing Fairfax in the Consolation Championship proved disappointing. Fairfax ran past Canoga 70-23 winning the Consolation bracket.

"Despite the loss to North Hollywood we still have a good chance of taking league. We have a strong team plus returning senior Carmen Ellington is back from injury, so we plan on a winning season," commented Julie Burmester.

JUNIOR VARSITY GIRLS BASKETBALL

The Junior Varsity Girls were very determined and worked hard during the season. Some games were played with only five players and no one on the bench, but the players still played aggressively. The team only had success on their minds. Senior guard Shannah Lemieux led the fast paced J.V. with her determination to win. During a first round league game against Birmingham, Shannah Lemieux led the team to victory over the Braves with 24 points. The Junior Varsity worked hard to make their season successful.

FALL ACTIVITIES

THE SENIOR SKATING PARTY

WAS
A
BLAST!!

BLAST!!

Canoga's "jammin" traditional Senior Skating Party took place on November 6, 1986 at Skateland in Northridge. Just about everyone skated, ranging from baby walkers to the super high flying skaters.

An astonishing silver figure with arms and feet appeared on the skating rink at this extraordinary event in the form of a "Hershey Kiss". Inside this sweet treat was Evelyn Cortez, who won for Most Original. Best Couple turned out to be a set of Siamese Twin Clowns which were the cutest imaginable. The clowns were Hanon Awad and Linda Beatty. All through the party they struggled to stick together. The funniest of all funnies, was the Great American Fruit of the Loom guys, Tommy Dinh, Jason Elm, Damon Harrison, and their partner, Shanie Haltom as Inspector 12. They ditched and dashed from Inspector 12 while she "stretched, picked, and poked" at them. They won for Best Group. Over all there were a lot of exotic costumes ranging from the funny laughable Daisy Duck to the evil sinister Elvira.

I'm going to drain you RED!!!

PWT STEERING COMMITTEE

Strength

Through Involvement

Our PWT Steering Committee had a great year. Despite the lack of participation, the students who did get involved made it worthwhile. Hopefully, next year's committee will be bigger and stronger. We will have a lot more activities and fund raisers to encourage support in the future.

CLIMBING TO THE TOP SPIRIT SQUAD

The 1987 Spirit Squad was the best ever. The group consisted of seven cheer, seven song, and six yelleaders. Canoga Park High had its first songleading squad in 10 years. They performed strongly and enthusiastically and it showed in their routines.

The Spirit Squad brought home the Superior trophy and the Unity Award from the USA camp but their main goal was to win first place in the California Cheerleading Championship held at Magic Mountain. "If we can achieve this," stated Tessie Florendo "this will have been the best gift the squad can give to its graduating seniors."

THE BEES SPIRIT IS ALIVE

BEE CHEER

The 1986-87 Bee Cheer squad, along with the Bee Songleaders, Competed in two competitions, Knotts Berry Farm and Bell High School. They placed second in both competitions. They also went to the USA summer camp, had a great time and made many new friends.

The squad was made up of mostly new comers but they all showed their Hunter spirit at all levels. It was a truly memorable year for all of them.

BEE SONG

It was a privilege for many girls to have been on the first Bee Songleading squad at Canoga in many years. It was the highlight of their sophomore year to perform at games, pep rallies and competitions. They have supported our athletic teams and had fun at the same time. It was hard for them to adjust at first, but with the support of their fellow students it was easy. They had to dedicate most of their spare time to practices and other activities, but they say, "they wouldn't have it any other way."

BAND AND DRILL HUNTING FOR PERFECTION

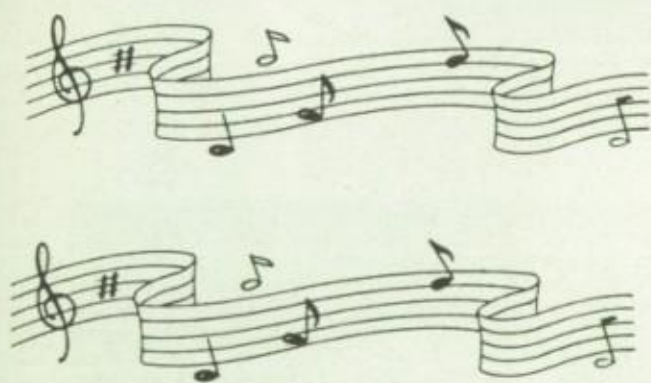

This year during the football season the Band and Drill Team dazzled the crowd with their half-time shows. The practices started in the summer, so that everyone was ready for the football games and the oncoming parades.

During the summer the Drill Team went to the USA camp, where they participated in several activities and won various awards. They brought home a Superior award, along with various other awards. They also learned many new routines for the upcoming football season.

There was a new look added to the Drill Team this year. They added a group of 6 girls who would work with flags. They dazzled and impressed the audiences. The Flag Team gave the Drill Team a more professional look. A lot of time and effort was contributed by the Drill Team sponsors, Carolyn Purkey and Maria Cabrera and the Band teacher, Mr. Eugenio. Their effort helped to make this year the best ever.

FFA REACHING NEW LIMITS

This year, Canoga's Future Farmers of America accomplished many things. They gave farm tours, went to judging events and even entered livestock at the 1986 San Fernando Valley Fair. They also worked at fund raisers and were sponsors of the annual Winter Dance on December 12. This year's FFA officers were Vicky Davisson, President; Edwin Calderon, Vice-President; Tom Hryniuk, Secretary; Sandra Nelson, Treasurer; Gabrielle Rubinstein, reporter; and Sandro Hernandez, sentinel.

Canoga's 1986 FFA worked hard to get involved and showed great support and enthusiasm about outside activities as well as their own.

Close-Up

Every year operation close-up, a nationally recognized organization, sponsors a one week trip to Washington D.C. for high school students from all 50 states and the U.S. territories. The purpose of the trip is to acquaint students with their nation's capital and give them a "close-up" look at their government and how it works.

Library Club

The student library organization at Canoga Park High is a service club giving advice and assistance to instructional materials program. The library club gives its members a common interest in the books and reading via the library facilities and book collection. Suggestions, advice, and counsel regarding relevant book and periodical selection is given to the librarian. The social action of the book evaluation is the major focus of club activity.

Y.C.S.

Youth Community Service is a program that helps students develop leadership skills and apply them in projects that help the school and community. Some recent projects we're doing are Canoga Park Chamber of Commerce, Motion Picture Hospital, and Faculty Cards. Volunteers work at the chamber and the hospital to help them run smoothly. Headed by project manager Wendy Dushman. Faculty Cards give cards to Canoga Park High School Faculty members to celebrate their birthdays and other special occasions. These projects are designed to give all students job experience, a sense of responsibility, and also to develop leadership skills. Every project is headed by a project manager. They run the projects with helpful assistance of Mr. Stone, YCS sponsor.

We have many activities that are both fun and educational; for example, every year we go to a camping retreat to learn new ideas and also to meet YCS members from other schools for two days, students develop skills by discussions, role playing, and other fun activities. This year some members are involved in the Festival of Masks working as volunteers, they have experienced the mask parade, an exciting event. Being a YCS member is something to be proud of and remember forever.

Vietnamese Club

The Vietnamese Club has been created to help all Vietnamese students at Canoga Park High to participate in many enjoyable activities including field trips, picnics, sports, and many more. Students are also given an opportunity to share their ideas with others.

All Vietnamese students from grades 9th through 12th are eligible to participate in the program.

The club members elect the club president and the other staff members at the first meeting of the year.

Meetings are usually held every other week to discuss activities. All the rules and regulations are made with the consent of the club members.

This year's membership is almost doubled from last year and the year before that. Best of all, we have more enthusiastic members in the club than we have had in the last two years.

F.B.L.A.

FBLA is a state and national vocational organization for students interested in business. Chapter members participate in activities which are professional, civic, service, social, financial, and developmental leadership in nature. Members are also encouraged to participate in the 26 areas of competitive events, which include parliamentary procedure, law, computers, accounting, speaking, mathematics, and typing.

While building confidence and aggressive business leadership, FBLA leads students to a better understanding of the American free enterprise system.

Vibgyor

Canoga Park High School's California Scholarship Federation Chapter, VIBGYOR, so named to represent the spectrum of the rainbow is an organization comprised of the school's top notch students, sponsored by Mrs. Anna Cohen and Mrs. Barbara Miller. Once the leadership positions are selected from the membership, the club moves forward in carrying out its motto scholarship for service.

Some efforts in supporting the motto this year included the sponsorships of a Honduran child, and the financial assistance of a Boy Scout project to help the needy. The club also promotes educational experience among its members by coordinating visits to such places as JPL, the John Paul Getty Museum, and the Norton Simon Museum with scholarships the motivation, and service the activation. VIBGYOR continues to rank among Canoga's most prominent clubs.

Korean Club

The Korean club sets forth to strengthen cultural ties among its Korean members as well as to adapt a bit of wholesome, and sometimes zany Americana. As one big happy family, we unite with other fellow Koreans, throughout the LA Unified School District, in planning and hosting sport tournaments, trips, and mind dazzling events.

Ski Club

The Ski Club is one of the largest clubs on campus. There are few meetings, and the only requirement to be a member is that you ride on a luxury recliner bus for six hours and then end up at a little town called Mammoth. There you must spend two nights in a condo complete with fireplace, jazuzzi, color T.V., recreation room, and the other necessities of "roughing it". In addition, you must demonstrate advanced skills in socializing, party etiquette, and a strong desire for fun. During the day-time you must blissfully glide down snow covered slopes on skis. Once you have completed these tasks you must ride that same bus back to the valley.

That's all there is to it. If you successfully complete all these tasks you can call yourself a member of Canoga's elite group, The Ski Club.

Fall Student Body President: Lisa Bishop

Student Cabinet is in charge of all the student activities. We put on dances, relay races, and all different kinds of sales. I really enjoyed being Student Body President. This year has been a memorable one for me. I enjoyed working with so many people. We, the members of Cabinet, owe it all to Mrs. Purkey, who was our sponsor. THANKS, PURKEY.

THE BEST AND BRIGHTEST OF '87

Maintaining a grade point average of 4.0 throughout high school can only be accomplished with determination and purpose. This outstanding achievement was shared by four seniors from the class of 1987. During the last four years, their academic excellence and dedication served as examples for their fellow students. Hopefully, the determination they have manifested will continue to bring them success in the future. Congratulations to 1987's best and brightest!

**Eric
DeLange**

Earning a 4.0 GPA is not something that I have spent all my time in doing. I have participated in clubs, organizations, and sports throughout my high school years. AFJ-ROTC and a church youth group have also been part of my activities. The most fun I have, however, is when I'm with my friends who gave me the support I needed to reach my goals. Without them, I doubt I would have accomplished the things that I have.

**Alejandro
Peredo**

I am originally from Mexico. I came to the U.S. one and a half years ago by myself with the aim of getting a better education. My personal goals after graduating from high school are to attend college full time and major in Civil Engineering. I'm happy to have achieved all that I have and I'm really thankful to my family for encouraging me to work towards my goals and be someone in life.

**Supachai
Srisawade**

It is never too late if one commits oneself to start, it is only late if one is unwilling. That is my own experience. I never had a GPA higher than 2.5 before I came to the U.S. A new place and a new environment made me aware of my potential. Then and there I started, and time has shown me the pleasant reward. I would like to remind everyone again, it is never too late. All it takes is commitment.

**John
Sturman**

There are other activities in my life besides attending school. I enjoy racing sailboats. I can go out with my friends and have a good time or I can race and put all of my energy into it. I have to train during the week so I can race to my potential, and that takes up most of my time. It helps to have some diversion from school.

AFJROTC HAS SUC PRIDE AND ACC

"AFJROTC MISSION"

The AFJROTC is designed to emphasize academic excellence and leadership and to assist the student in becoming a better informed citizen on matters of national defense and of the Aerospace age. Public Law 88-647 enabled the U.S. Air Force to offer this program at Canoga Park High.

The curriculum is a 3 year course of study on many aerospace subjects that includes history of aviation, mechanics of flight and international space operations. Leadership and related subjects are approximately 40 percent of the program.

Cadets wear uniforms one day a week and drill under the leadership of upperclassmen. Cadets undertake fund raising projects, venture out on field trips to aerospace facilities and USAF bases, and go on an orientation flight each year.

Scholarships to colleges and nominations to U.S. Military Academies are enhanced by enrollment in AFROTC.

Cadets entering active duty in the Air Force after graduation, and completing 3 years of JROTC, enter as airmen first class instead of airman basic. It also enables cadets to qualify for a technical school before going on active duty.

HOUSE

OF

REPRESENTATIVES

TAKE ACTION

President Lisa Hartsman

The fall House of Representatives gave a great deal of spirit to our student body. It is the communication between the counsel and the student body. This year the House of Rep's mainly focused their attention on the Blood Drive. Without the help of the House of Rep's we wouldn't have collected over 40 units of blood. Helping the community out was our goal.

Being President of the House of Rep's was a lot of fun and a great experience. I met many new friends and it was a great way to get involved with the school.

HITTING

THAT HIGH NOTE

"If you think you can or you think you can't either way you are right." These are words to live by in choir. This year 1986-87 Choir pulled off another great year. During the fall they performed their annual Winter Concert which was a huge success. As spring came they pulled together and performed a spring concert. It took a lot of hard work and determination to make it work. Also the Dreamgirls sang "I Am Woman medley" in honor of Mr. E. at the Senior talent show.

Missing You!

You mean a lot to all of us, we could have told you so. You didn't want to leave us and we didn't want you to go. We shared the laughter and the tears, we had good times through the year. We meant a lot to you, so we're gonna make your dream come true. We loved you then, we love you now, missing you is so hard not to do. It's hard for us to realize that you're gone. As we dig deep inside to think about you and old times, missing you is so hard not to do. So when you're looking down from that big sky of blue, please never forget we all love you!

Junior Princess and Prince take their walk.

Smiling Princesses Kim Drooke and Evelyn Cortez.

Tammy and Eric happily accept their crowning.

What do you mean you won't dance with me?

WINTER DANCE

Using the theme "A Night in Paradise", 1987's Winter Dance was a huge success for all who attended. During the day, students and faculty beautifully decorated the gym in light blue and pink, creating a very romantic setting. A number of couples made grand appearances by arriving in limousines that evening. Couples enjoyed the music of a live D.J. who played a great assortment of fast and slow songs. The most exciting part of the evening came with the announcement of the court. The dancers were filled with anticipation and happiness.

Tammy Shipp was crowned Winter Dance Queen this year and Eric Delange was crowned King. Evelyn Cortez was first runner up Princess and Kim Droke was the second runner up Princess. The Junior Princess and Prince were Jennifer Lester and Myron Pedroche, Millie Gurtiza and Randy Landis were Sophomore Princess and Prince. Selected as Freshman Princess and Prince were Carol Lee and Jeremy Stafford which completed the court. Then the Winter Dance court danced to "Earth Angel", by New Edition.

The evening closed with dancing to "The Greatest Love of All". The memories of this winter dream will live forever.

Awaiting the big moment!

In the spotlight!

Sorry, but I told you I couldn't dance.

Yearbook is an experience unlike any other. It's not just a class, it's learning to be creative and work under pressure to meet deadlines. In yearbook, one learns the meaning of teamwork and responsibility. Putting out a yearbook is no easy thing to do. This difficult task was achieved once more this year by a small group of dedicated students, whose efforts made this yearbook a success.

The day before a deadline, the work was piled up. With people running around, trying to get things done, room 417 seemed like a madhouse. Mr. Peifer, the advisor, had pictures to take left and right. The computer room overflowed with bodies trying to get printouts of their copy. The tension grew stronger as time passed, and half the class stayed in for lunch and after school to finish their work. Finally, after hours of arduous labor, the pages were ready to go on time.

The key to it all was teamwork. Every member of the staff played a major part in the making of this yearbook. The memories of this year will live forever thanks to the 1986-87 yearbook staff.

The Yearbook Staff guillotine.

What! We launched the nuclear missiles.

Editor-in-Chief Evelyn Cortez

Ranked # 1 of all baseball teams in the city and surrounding areas, Canoga's Varsity team made a strong claim for the 1987 City Championship. Professional baseball scouts flocked to C.P.'s games to watch talented seniors Scott Strickland, Aaron Marks, and especially All-City catcher and high draft choice, Mike Urman. Successful Juniors, Adam Schulhofer and Mike Kerber, were scouted frequently as future professional prospects.

As of press time, the team was undefeated and had scored an amazing 60 runs in their last four games.

Reseda, E.C.R., and Chatsworth proved to be Canoga's toughest competition.

Seniors Kasey Fink, Chris Pemberton, and most improved Mickey Snook helped the Hunters on the mound, in the outfield, at third base, and with their strong hitting.

WORKING THEIR WAY UP

Mike Moses shows us his pitching style.

Douglas Kreider is up to bat.

The JV's are expecting a successful season with five returning lettermen. Pitching will be a big question mark but the return of John Park will be a plus behind the plate. The infield should be improved with Robert Flay at 1st base and Mike Tanis at 3rd base, both returning lettermen. The outfield will be much improved with Randi Landis, Mike Moses and Mike Mombleau. With a little luck and a few breaks C.P. should have a good year.

Way to go Tanis!

VARSITY SOFTBALL

Canoga's 1987 Varsity Softball team was determined to do its best this year. With all their determination, and an equal amount of hard work, the girls had the potential to go far.

This year there were seven returning varsity players who worked as a basis for a strong team with the newer members. Returning players were JoAnn Vazquez (second base), Lydia Herrera (catcher), Pam Washington (third base), Kim Ponder (short-stop), Tanya Pulfer (first base), Jennifer Lester (out-field), and Peggy Mahoney (outfield). With Tammy Paine on the mound and a group of strong incoming players, the season was a good one.

J.V. Softball

The 1987 Girls J.V. Softball team consisted of new and enthusiastic players. Though they lacked experience, they had the potential to do well. With the combination of hard work and strong team effort, they displayed the spirit of a winning team.

Outstanding prospects for future Varsity competition were Karla Downs, Hoa Troung, Maya Monserrate, Alexandra Herrera, and Lorrie Wronkowski.

SPIKING FOR GLORY

The Canoga Park Varsity Volleyball Team consisted of a majority of eleventh graders, with one sophomore and one senior. Although they lacked in experience, their talent carried them through a very successful season with hopes of winning a city championship. The team is also looking forward to the 1987-88 season when they will all be seniors. Coach Chapman is really excited about next year's team and feels they can go all the way.

Craig Galowitsch

The Canoga Park Swim Team this year was small, strong and mighty. Outstanding performances were turned in by Donna Gooch, Scott Johnson, Candice Rahn and many others. The entire team worked hard and were very determined to do their best throughout the season in order to qualify for city championship. "I'm really proud of this team. They have a positive attitude toward all events. This is what the Canoga Park Swim Team is all about!" stated Coach Cabrera. Special thanks to the score keeper: Suzie Thomas and all the managers, and a special thanks to Coach Cabrera.

The 1987 tennis team is gaining in popularity at Canoga. The self-motivated, encouraged, and disciplined team is reinforced by new young participants as well as a few experienced returning players.

The team was led by 11th grader Sean O'Neal and by Seniors Mark Berman, Jo Jo Nguyen, Thuan Le and Tuan Do. Mandyan Vijayanand along with Mark Ayon filled out the lineup. New talent to look for is Hung Le and Duc Doo. They both show great promise. The players have one goal — to win in one of the toughest leagues in the city.

Varsity Team

ON THE RIGHT TRACK

The 1987 Canoga Varsity Track team possessed the strength that champions are made of. The fine performances turned in by several of the team members were the rewards for the patience and commitment they manifested. "Although the Varsity track team was very small in numbers, it has had some excellent individual performances," Coach Meinke stated.

"Mike Conover in the long jump and triple jump, and David Audelo and Jimmy Dustman in the shot-put turned in fine efforts in the early season," concluded Coach Meinke.

Jimmy demonstrates the technique of shotput.

BEES IN MOTION

The 1987 Bee track team showed the strength necessary to succeed. Comprised of many of the 1986 undefeated Cee team members, it had the potential to carry it winning ways through the season.

Bernard Jackson, Peter Van horenbeeck, Eddie Bowling, Myron Bernard, Frankie James, Damon Lemieux, Joe Rudolf, and Robin Kim among others presented a formidable line-up for Hunter opponents.

CEE TRACKSTERS

Returning Strong

The Cee track team consists of Canoga's youngest runners. Led by Steve Lee, Shaun Reed, Marcus Reed, David Gutierrez, David Maunu, and many others, the team has proven itself as one of the finest in the area.

"Based on early meets, these competitors should do very well through the league season and into league finals," stated Coach Meinke.

Not pictured: Heather Chumbley, Shannah Lemieux.

Looking Strong

Canoga's most committed and determined group of young ladies is probably the Girls' Track team.

"The Girls track team, although small in numbers, was very competitive in the early going. Returning from last year's team, Lynn Yasui, Tannisha Green, Stephanie DeLange, Diane Oesterle, and Evelyn Cortez all appear to be on their way to a fine season, said Coach Meinke. "Newcomers Kim Douglas, Ann Tibbs, Caryl Lee, Liza Cochrane, and Heather Chumbley will all play a major part in the success of this year's team," stated the hopeful coach.

Top row: Gerry Schumaker, Kris Canfield, Damon Harrison, Elaine Haines, Heather Williams, Fred Wilson, Sacred Love, Andre Ball, Donsonnel Jones, Edward Bevans, Bottom row: Lashon Tillie and Fernando Benitez.

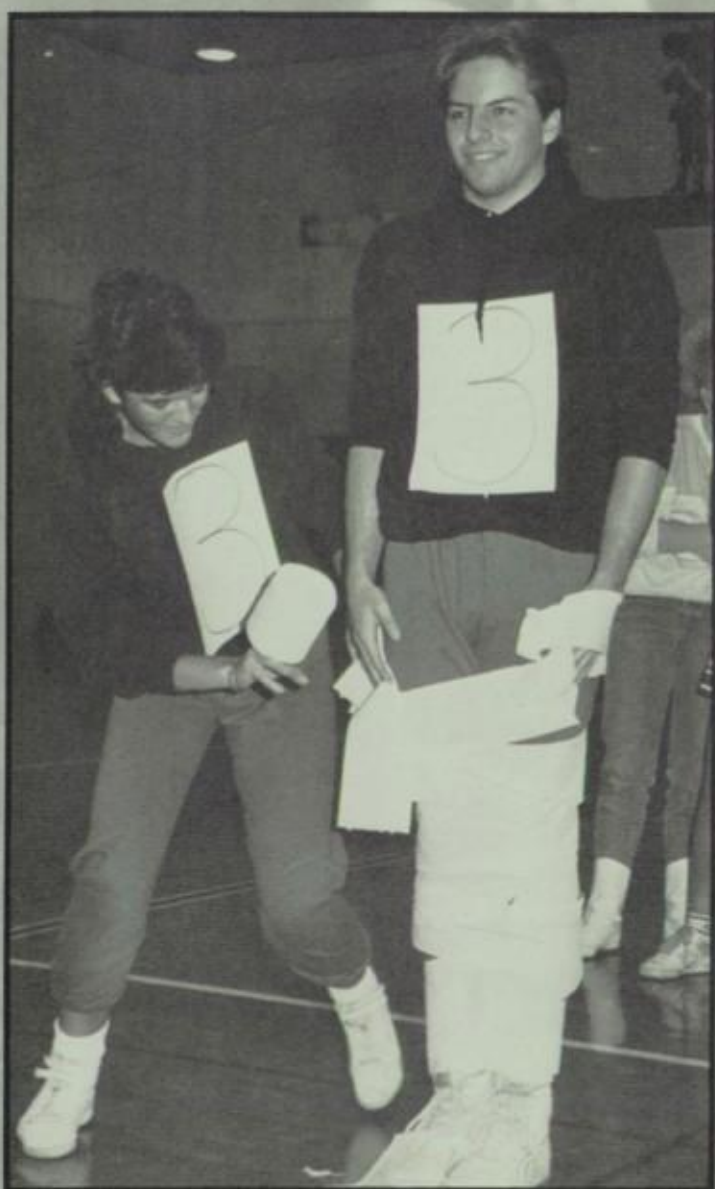

Six couples strutted their stuff while competing in Canoga's own Senior Superstars show. First place couple Fernando Benitez and Lashon Tillie won two out of three events including the lifesaver exchange, the three-legged race and the mummy wrap. All six couples proved that Canoga's number one when it comes to spirit and having fun.

1986-87 STUDENT POLL

A YEAR TO REMEMBER

Memories offer the chance to cherish the past, the good and the bad of it. The moments and memories of 1986 will surely remain in our minds for years to come.

From new fashions to the music world, 1986 definitely left its mark. The boots with fringes seen around the Canoga campus were quite trendy. Returning to style were turtlenecks and leather. Denim jackets completed the classic Levi's "look" while denim miniskirts were, by all means, fashionable. Hair became quite an important issue at Canoga. Mousse, hairspray, and perms were steps towards the desired look. Meanwhile, we watched the Cosby Show top the TV ratings again, and witnessed the success of such musicians as Stacey Q and "Ready for the World." VCR became a household word, as most everyone owned one. Compact disc players became "state of the art" in home listening. Although not with the same intensity as in the past, the fitness craze still raged throughout the year.

There are many good things to remember from 1986. It was the 200th anniversary of the United States Constitution as well as the 100th birthday of the Statue of Liberty. U.S. President Ronald Reagan signed an immigration law offering amnesty to thousands of illegal aliens. Corazon Aquino, Time Magazine's Woman of the Year, assumed the presidency of the Philippines, ousting Ferdinand Marcos. As in any other year crisis was in the picture as well. The world watched as the space-ship Challenger exploded after take-off, taking the lives of the seven astronauts aboard including high school teacher Christy McAuliffe. Air, train, and bus accidents made considerable news. El Salvador suffered a devastating earthquake leaving thousands homeless and injured. Those times of hardship taught us to stand together, help one another, and endure.

The memories of this year won't be soon forgotten. One more year to remember, one more page for the book of time, which will remain open as long as we have those memories.

EPHEBIANS

The Ephebian Society is a civic betterment and service organization. The organization is composed of citizens who were graduated from the Los Angeles area high schools. Members are selected by the faculty and senior classes of their high schools on the basis of outstanding character, leadership ability, high scholastic achievement, and demonstrated service. The major purpose of the Ephebian society is to focus the attention of the outstanding graduates upon matters of civic and community leadership, betterment and service and to inform and encourage the membership in active participation along these lines.

One student for each forty seniors or major fraction thereof may be selected as an Ephebian. The selection is based on the results of a faculty election and senior class election. To qualify scholastically, the candidates must have maintained a "B" average (omitting physical education), throughout their senior high school years.

Eric DeLange

Being selected as an Ephebian by the faculty and senior class is an honor which I will always cherish. This accomplishment will always sparkle as one of my most rewarding highlights in my high school career. I extend my special thanks to all the seniors and faculty for making this moment at Canoga Park so memorable.

Evelyn Cortez

I can think of no greater way to finish my highschool career, than to be chosen as an Ephebian. The years I've spent at Canoga have taught me to work hard and do my best to succeed at what I do. Although leaving high school brings sad thoughts to mind, graduating with this honor is a wonderful experience for me. I would like to thank all the people who have supported me. Without them, I never would have made it this far.

Jason Elm

It's a great honor to be elected an Ephebian. I thank the students and faculty who voted for me. I have strived to set an example of outstanding character, integrity, and leadership. My years at Canoga, this past year especially, have been a great learning experience for me. I will never forget my friends and the class of '87.

Lynn Yasui

Being elected to the Ephebian society is a great honor. I am thankful to those who helped make this opportunity possible for me. I feel privileged to be among the select few representing the class "Victorians" of 1987.

Damon Harrison

Being accepted into the Ephebian society was definitely one of the high points of my senior year. Throughout high school I have tried to be a well rounded person. This honor makes me feel as if I accomplished that goal. I would like to thank the class of '87 for bestowing this honor upon me.

Kris Canfield

Selected as an Ephebian is a great honor. Its an accomplishment that I am very proud of and will always remember. I would like to thank the faculty, administrators, and most of all the class of 1987. My three years here at Canoga have been rewarding and memorable. I wish the Victorians of 1987 all the success in the world.

James Smith

I am very proud to be honored as an Ephebian. I've had a great experience in learning here at Canoga Park High school and I would like to thank the faculty, administrators, and the senior class for honoring me as an Ephebian. Good luck to all in your future endeavors.

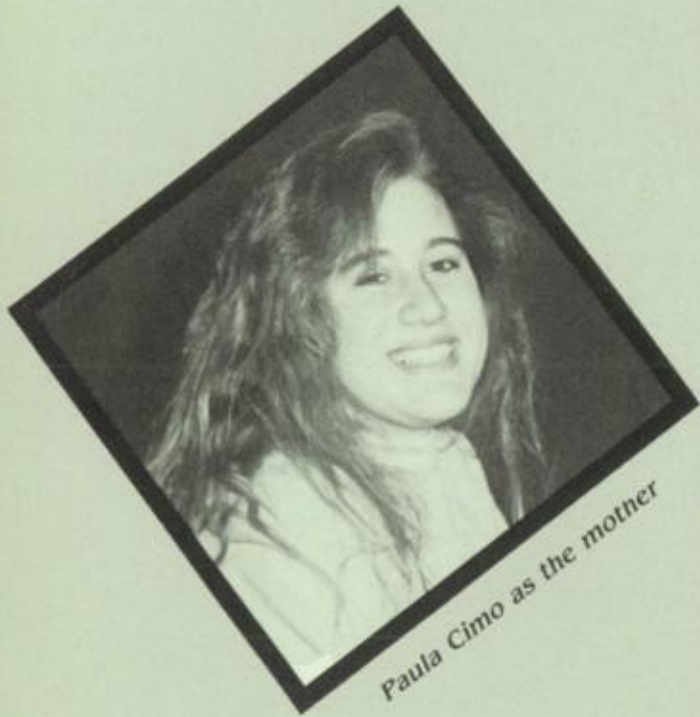

Elaine Haines

Being chosen as a 1987 Ephebian was truly a great accomplishment and honor for me. It was one of the most outstanding accomplishments I have made at Canoga, during my three years here. I extend my gratitude to my teachers, administrators, and fellow classmates who made my high school years a success. May the class of 1987 find success in all they do.

Special guest appearance by Anthony Cantrell as the father

Summertree, by Ron Cowen was the play presented as the major production of the 1986-87 season. This sensitively written and performed play was a huge success. The play traces the events that lead to the tragedy of an outstanding young man who is torn between the desire to please his parents and do his duty to his country or follow his own inclination to become a musician. The audience was taken on a journey revealing the final tragedy as the young man is killed in the jungles of Vietnam. The play was a tour-de-force for Jason Elm, who gave an outstanding performance as the young man. Paula Cimo, Donna Gooch, Christopher Eckelberger, Anthony Cantrell, and Joe Toledo also gave excellent performances.

SPRING STUDENT CABINET

Spring Student Cabinet President Lisa Hartsman

I am deeply honored to have become the 1987 Spring Student Body President. I've enjoyed the enthusiasm and responsibility. It was a terrific experience.

Student Cabinet represents the "movers and shakers" of Canoga Park High School. I loved working with the fantastic bunch of leaders we had in spring '87. I also loved to see their enthusiasm planning fund raisers, ex-

tracurricular activities and sport events. Each person had a job to do and working together to perform the task made it a great deal of fun. Leadership, that's what it's all about!

Thank you so very much to all of student council for what you have taught me while Student Body President. A special thanks to Mrs. Carolyn Purkey for being a great leader herself. Good luck to all of you in 1987-88 Student Cabinet. Hope you have a wonderful year!

Being Senior Class President has made this year the busiest of my life. With a lot of help from the Senior Steering Committee and Mrs. Rosso, we have had many great activities. From our award winning homecoming float to grad night, not one day has passed that I haven't thought about the seniors and their future. My experience has taught me much about myself and others. Making different friends and working with so many people, has been wonderful. I would like to thank the Senior Steering Committee and especially Mrs. Rosso for their help and support which made it all possible. As seniors we had to be the best in order to set an example for the entire student body. Class of '87" forever!

Class
of

1989

I had a wonderful year playing football, being Sophomore Class President, and being in Student Body Cabinet with Mrs. Purkey, a wonderful sponsor. This year our class homecoming float entry was very helpful as was Mr. Edelman our class sponsor. As part of our activities we played softball games against the ninth graders that went very well. We had a great year! Good luck everybody.

FACULTY

ADMINISTRATION

Charles Molina, Principal

My first year impressions, as principal of Canoga Park High School, are that Hunters are friendly, spirited, and together. These characteristics are probably best exemplified by the senior class. Graduating seniors have completed their first step on the long journey to success. By their hard work and dedication they have earned their diplomas. Both as individuals and as a class the seniors have left something of themselves at Canoga Park High. They will be remembered by me, as this is my first graduating class. Good luck and best wishes for continued success from all the Canoga Park High School staff.

In Memory Of . . .

Morris Fields

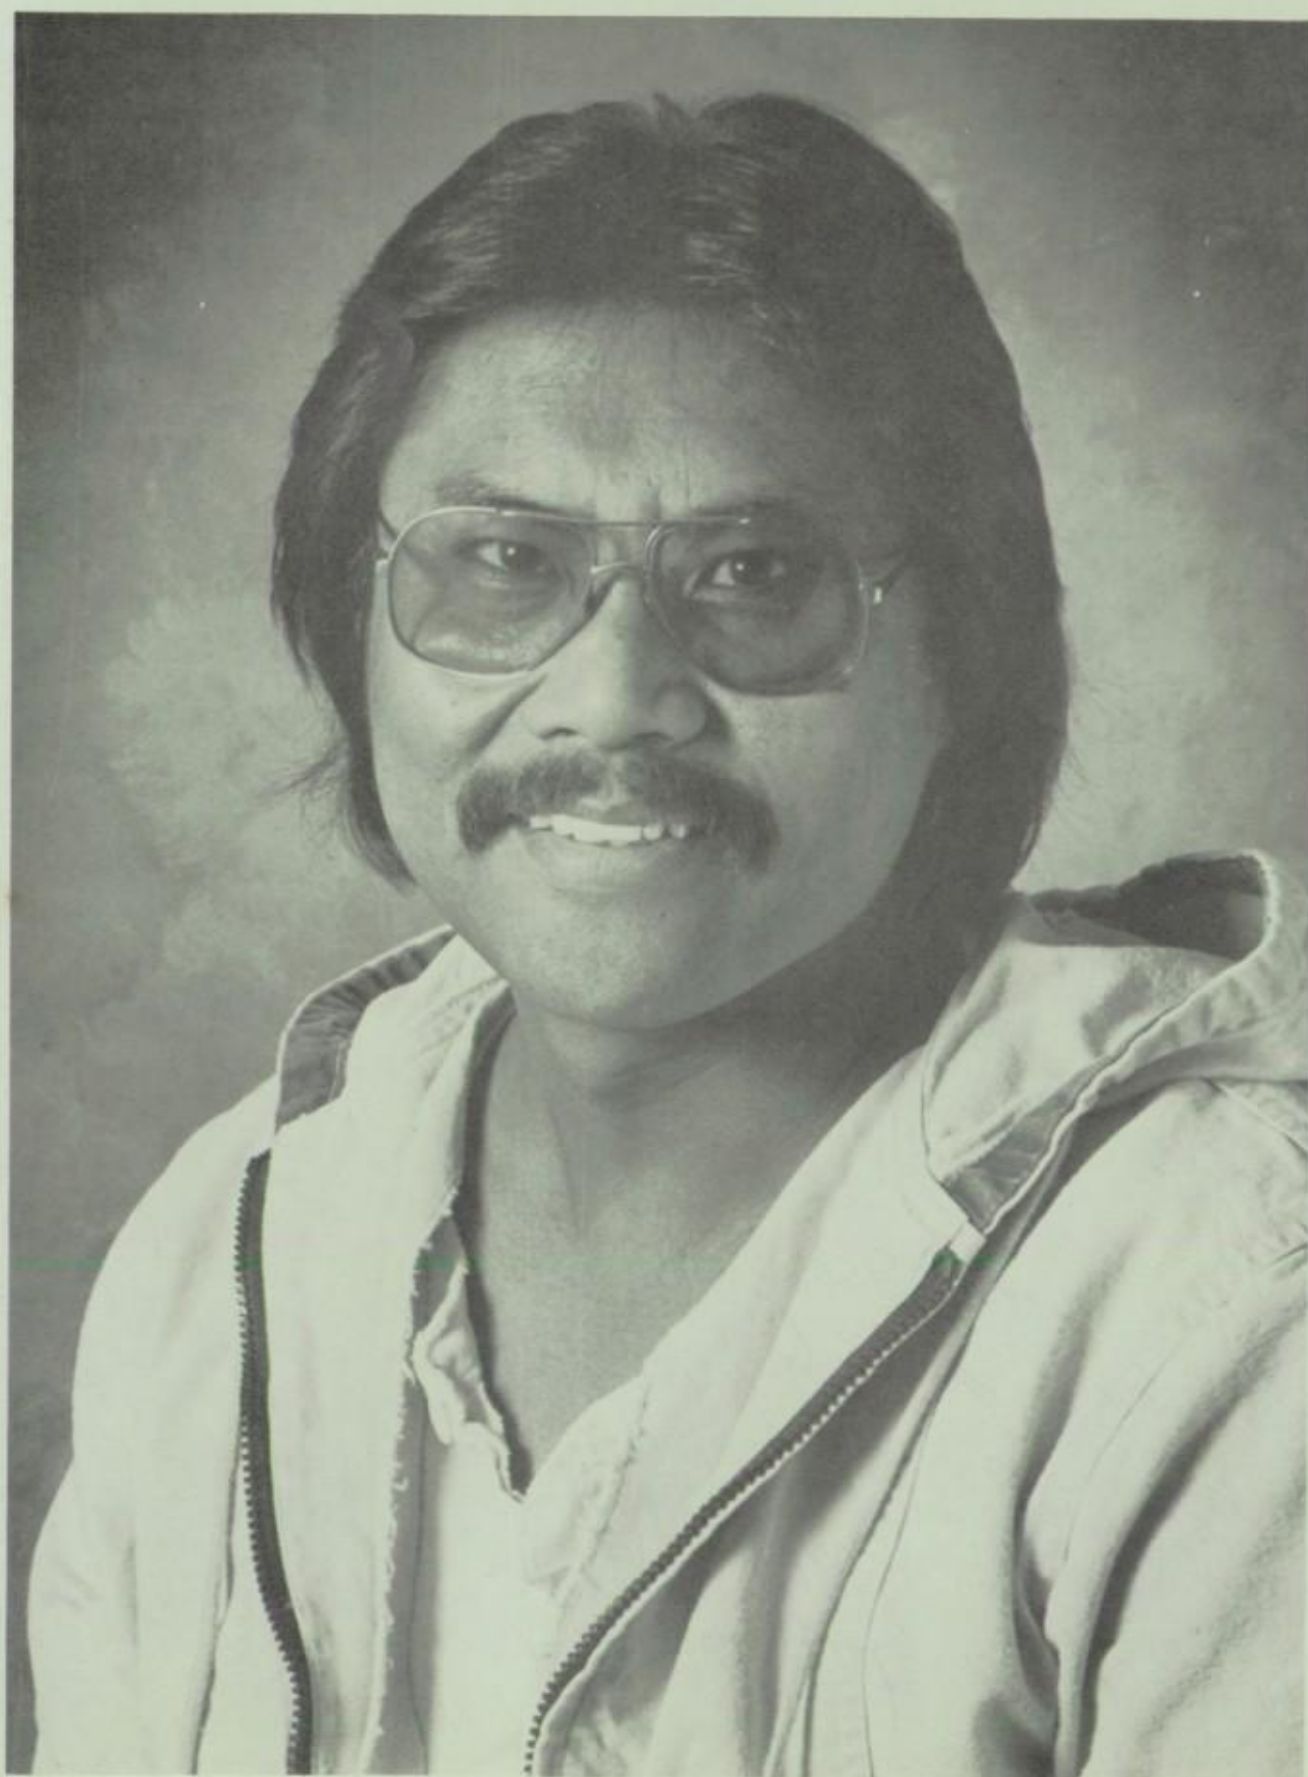

Morris Fields, Canoga Park college advisor and social studies teacher since 1955, died this year. An earlier generation of students called him "Mr. Peepers" (TV show with Wally Cox). In the late 60's and 70's he was referred to as "Superfields" (a photo of Mr. Fields in a superman costume appeared in Hunter's Call). He was never mistaken for Sylvester Stallone, but this diminutive man with wit and humor, had a heart as big as all outdoors.

Morrie loved classical music, fine dining, and the game of Tennis. Most of all, Morrie loved people. He had that one quality of being able to maintain his own individuality and at the same time being loved and respected by everybody. The hundreds of people who attended his memorial attest the fact that this wonderful man will be missed by all who knew him.

Juan Eugenio

"I shall pass through this world but once. Any good therefore that I can do or any kindness that I can show to any human being, let me do it now. Let me not defer or neglect it for I shall not pass this way again."

Mr. Ivan Eugenio passed our way; he brought music to our lives and did that "kindness" that made our lives richer.

Never deferring or neglecting to give of himself, he made us proud to say that he was our colleague, teacher, friend.
